Subject: Applications Open - Equity and Latin American Scholarships to APT’s October Conference

APT is pleased to announce scholarships to our October 9-14 Conference in Seattle, funded by The Getty Foundation. With their generous support we will welcome ten Scholars from Latin America and the Caribbean and ten Equity Scholars from the US and Canada to our conference in Seattle.

These scholarships will cover all travel, lodging, conference registration, and provide a per diem for additional costs.

We welcome expanding the diversity of voices and experiences to our conference and are thankful to the Getty Foundation for providing the opportunity for preservation professionals from these communities to share their knowledge and build their networks of fellow preservationists from around the world.

Now Accepting Applications: Apply here

DEADLINE TO SUBMIT - September 1, 2023*

Conference Registration is now open. Go here for details.

*Please share this information with eligible non-APT colleagues and encourage them to apply.
