

APT GRAND TOUR RESTAURO 2023

3^D EDITION | ITALY | SEPTEMBER 11-16*
FOR APTI AND APT CHAPTER MEMBERS ONLY

*10-16 Including travel

For the third time, APT's Italian partner Assoreastauro is planning a unique educational tour designed specifically for APT and the interests and educational needs of our members. Past APT travelers rave about the professional and personal growth from the experience. Some attendees of the first tour returned for the second and were immediately asking for number 3!

ITINERARY

Sunday 10 Sept	Arrival in Rome airport and Welcome dinner
Monday 11 Sept	Rome
Tuesday 12 Sept	Norcia and Umbria Region
Wednesday 13 Sept	Norcia and Umbria Region
Thursday 14 Sept	Ferrara
Friday 15 Sept	Vicenza
Saturday 16 Sept	Departure from Venice airport

**NEW
DATES!**

**GRAND TOUR
RESTAURO
PROMO REEL**

This itinerary is designed to be memorable not only because of the highly knowledgeable peer group of your fellow travelers but due to the unconventional sites you will have the opportunity to experience alongside Italian preservation experts. Each day participants will visit several preservation projects and discuss techniques and methods with Italian engineers, architects, conservators and academics.

And of course, we will see art, architecture, and preservation activities while enjoying food and wine in ancient hill towns and world-famous UNESCO world heritage sites.

This **Assorestauro** (Italian association for architecture, art and urban restoration) planned tour is open exclusively to APTI members and members of APT's many chapters. This is the first time we've made this international networking opportunity available to chapter members, so spaces may go fast!

At the end of the grand tour, Assorestauro will send a report with all the worksites visited and the personal contacts of all professionals who attended.

AIA Continuing Education Credits are anticipated to be available for this tour.

Registration required
by July 14th

We must reach 30 registered participants for the trip to proceed
