APT Sponsorship Opportunities Building Codes Issues Facing Historic Buildings and the Practice of Historic Preservation

A Two Session Series: December 4 & December 11, 2024

Become a sponsor of the Association for Preservation Technology International and engage with nonprofits, architects, engineers, students, trades professionals, and allied professionals from around the country for learning, networking, and fun. Your sponsorship will connect you with thousands of the most active heritage organizations and practitioners in the nation.*

[Building Code Issues Facing Historic Buildings](#) is a two-part series of three and a half hour webinars. Attendees can register for both sessions or just one, each session offering 3.5 continuing education credits for architects, engineers, and code officials (3.5 LU/HSW/PDH).

Attendees will learn practical lessons about challenges and opportunities presented by building codes when working with historic buildings. For those who've struggled with a building where "the code" seems to negatively impact a historic building or threaten an overall project, these sessions will help!
