DETROIT, MI 48201

## **QUINN EVANS ARCHITECTS DETROIT, MI DESIGNER**

QEA is looking for a team player with design skills, who is passionate about rebuilding cities, preserving cultural sites, and supporting lifelong learning at schools, museums, and libraries. Our work focuses on the adaptive use of historic buildings, additions to those buildings and new buildings in Detroit and the Midwest. Clients include private developers, community development organizations, and public institutions. Projects range in size from small to large offering many opportunities for professional growth. Responsibilities include working in all phases of design, documentation, and construction administration. **REQUIREMENTS:** Architectural professional degree with 2 years' experience using Revit, AutoCAD, Word, Excel, and PowerPoint. Experience with Newforma and Deltek Vision are a plus.
