### **What we seek**

BRUSH Architects is hiring at 1-2 year experience as well as 5+ year experience levels. All candidates must have completed architecture school and be on a path to licensure or be licensed (NCARB). All candidates must be in the Chicago area and be capable of site visits, roof walks, and interested in learning facade work. We require that all candidates are willing to go to project sites, have vehicular transportation, and draw in Revit.

### **Who you are**

You value existing buildings

You enjoy (or willing to learn) being on project sites in investigation, design, and services through construction

You use Revit

You write well with grammatically correct descriptions and purpose.

You are ready to learn - and we will teach

You are willing to ask questions and together we will find the solution

We all draw. We all go on site.

### **Required for all applicants:**

- Professional degree in architecture (required)
- Experience in historic preservation including historic research, building assessments, construction documents, and report writing
- Licensed or actively pursuing licensure
- Self-motivated team player who enjoys learning
- Professional experience in acad and REVIT (or willing to learn)
- Excellent written and verbal communication skills
- Chicago-based

### **5+ year experience applicants**

- All of the above requirements plus:
- 5+ years of architectural experience in architecture or A/E firms
- Project Management experience.
- Ability to lead the team of BRUSH Architects and coordinate with consultants to deliver projects to the schedule and budget
- Manage internal and client meetings for weekly tasks toward deliverable deadlines
- Assist with in house QA/QC

### **Who we are**

BRUSH Architects is a Woman Owned Business Enterprise specializing in historic preservation, forensic architecture, historic and building pathology expertise. Our projects vary from prestige historic preservation to adaptive reuse opportunities within public and private institutions, academic work from K-8, high schools and University buildings, and cultural institutions. We are prime and lead the entire design team and we also serve as specialty consultants. We offer competitive wage and benefit opportunities (\$55,000-\$75,000 salary range). We are hybrid with 2-3 days mandatory in person per week for whole office coordination and progress discussions.

### **Where we are**

We are located at 1807 W Sunnyside Ave, Chicago IL near the brown line Montrose stop and the Ravenswood metra station. Currently all employees live in Chicago. Most projects are in the Midwest. Some travel is required.
