The **Division of Architecture and Preservation** at the **Pennsylvania Historical and Museum Commission (PHMC)** is seeking a **licensed Architect** with a deep appreciation for **historic preservation** to join our team. This is your opportunity to make a lasting impact by helping preserve the legacy of the Commonwealth's most treasured historic sites and museums. Together, we manage **over 400 historic buildings** and interpret Pennsylvania's rich past for future generations.

As an Architectural Consultant, you'll:

- Manage and design projects across a variety of historic sites.
- Oversee construction and renovations from planning to execution.
- Ensure compliance with building codes and the Secretary of the Interior's Standards for Historic Properties.
- Leverage your project management skills, flexibility, and communication to successfully execute preservation initiatives.

Candidate Profile:

- Licensed Architect in Pennsylvania.
- At least 3 years' experience in renovation, preservation, or institutional/commercial design.
- Strong project management skills and ability to coordinate with an array of stakeholders.
- Self-motivated, adaptive, and passionate about history.

Additional Information:

- Full-time employment
- Work hours are 8:30 AM to 5:00 PM, Monday - Friday, with a 60-minute lunch.
- Occasional overnight travel required.
- Opportunity to telework up to two days/week
- Retirement benefits.
- Comprehensive benefits package includes health coverage, vision, dental, and wellness programs.
- Paid vacation, sick leave, 8 weeks of paid parental leave, military leave, and paid time off for most major U.S. holidays
