

FORD POWELL CARSON

7/18/2025

Preservation Architect

About the job

Ford, Powell & Carson, Architects & Planners Inc. (FPC) is an award-winning, legacy architecture firm located in San Antonio, Texas. Founded in 1939, FPC provides a broad range of services including planning, preservation, architecture, and interior design. We believe in crafting meaningful architecture, rooted in our legacy of regional modernism. Our designs are inspired by our sensitive understanding of context, our desire to collaborate, and our passion for vibrant spaces. We are an enthusiastic and creative workplace, looking for the right person to contribute to our design process.

Your Role

We are looking for a talented preservation architect to join our team. Preservation Architects are fully integrated into project teams from conceptual design through construction administration. They are expected to exhibit confidence and a strong collaborative attitude. Flexibility, initiative, problem-solving skills, and a positive attitude are important qualities we look for. Candidates must exhibit a strong graphic sensibility, and the ability to coordinate with internal and external parties.

Qualifications

- Education: Professional degree in architecture required; advanced degree or certificate in preservation preferred.
- Experience: 6 or more years of related work experience
- Licensure: Preferred but not required
- Proficiency in Autodesk Revit.

Additional Requirements

- Ability to coordinate small projects and manage small project teams, as a Project Manager, Project Architect, and/or Construction Administrator, as scheduled.
- Solid knowledge of historic preservation and historic materials.

Job Activities

- Interpreting and applying the Secretary of the Interior's Standards,
- Coordinating state and federal historic tax credit applications,
- Conducting building assessments on significant projects,

- Preparing historic preservation specifications and developing conceptual designs into detailed documents.

Why you'll love working here

- Community and Social Impact: We are dedicated to our local community and the environment, pursuing B-Corporation and JUST label certifications. We also engage in pro-bono work and offer paid time-off for volunteering.
- Wellness Initiative: Enjoy wellness programs, including a wellness room, on-site gym, ergonomic and green workspaces, and community wellness activities.
- Family Support: We support families with paid parental leave and emergency family leave.
- Professional Growth: We offer opportunities for training and professional development, including attendance at industry events and workshops.
- Collaborative Culture: Join a team that values collaboration, creativity, and innovation.
- Creative Environment: Work in a newly renovated office in the historic Light Building in downtown San Antonio.
- Comprehensive Benefits: Enjoy medical/dental/vision insurance, 401K, paid holidays, paid annual leave, and employee stock ownership opportunities.

Salary Range: \$64,510 - \$106,390
