**Job Title:** Preservation Architectural Intern

**Company Name:** Harboe Architects, PC ([www.harboearch.com](http://www.harboearch.com))

**Company Profile:** Harboe Architects is a small award winning architecture firm specializing in the preservation of historic structures. We are located in downtown Chicago in the historic Marquette Building. We have a rich and diverse portfolio of highly significant historic sites including numerous buildings by Frank Lloyd Wright and Mies van der Rohe. Check out our website for a full list of projects.

**Job Summary:** Preservation Architectural Intern to assist with f project tasks including historic research, on-site surveys and documentation, preparation of construction documents, as well as the preparation of CMP's, HSR,s, and master plans.

Salary: \$60,000 commensurate with experience

**Description:** An ideal candidate is someone who is self-motivated, hardworking, and who shares our passion for cultural resources of all kinds. Will work with project team conducting the following:

- Historic research.
- Conducting existing condition surveys.
- Developing preservation treatments.
- Design of renovations and new interventions.
- Computer rendering using sketch-up and enscape.
- Accessing buildings via ladders, lifts and scaffolding.

**Qualifications:** Professional degree in architecture and advanced education or training in historic preservation. Candidates must have a minimum of 3 years of work in architecture and historic preservation. Proficiency in AutoCAD, Revit, Photoshop, Sketchup, Enscape, InDesign and MS Office (Word, Excel, etc.). Candidates should be able to work independently and collaboratively, have a strong passion for historic preservation, and possess strong communication and writing skills.

Qualified candidates should submit a cover letter, resume, and writing samples to Bob Score at [score@harboearch.com](mailto:score@harboearch.com)
