Arthur J. Femenella Sr. Award for Distinguished Mentorship
Call for Nominations

Submission Deadline: 1 June 2023

APT seeks nominations for the 2023 inaugural Arthur J. Femenella Sr. Award for Distinguished Mentorship. Art Femenella Sr., a leader in historic window and stained glass restoration for over fifty years, had an impactful presence in APT and the preservation community and passed away in 2022. Art was a mentor to everyone he encountered, and he freely shared his time and expertise to train colleagues and younger professionals. To honor Art’s legacy, and to honor the mentorship that APT considers so important in the development of our students, emerging professionals, and all members, APT has developed this award to recognize outstanding mentorship in the preservation field.

The Femenella Award will be given every three years, and will be presented at the awards banquet during the APT annual conference. This year, the awards banquet will be held on Friday, 13 October 2023, in Seattle, Washington. The award recipient will receive complimentary base conference registration, as well as a complimentary ticket to the awards banquet. The recipient will also be presented with a stained-glass plaque, to be designed and fabricated by Femenella & Associates, Inc.

A jury, comprised of one APT College of Fellows member, one member of the APT Board of Directors, one APT member-at-large, and one APT Emerging Professional, appointed by the President, will evaluate all nominations and select the recipient of the Femenella Award.

Nomination Criteria and Process:
• Candidates shall be nominated by an APT member in good standing.
